The competition’s organizing committee and jury would like to congratulate all the school teams that qualified for Phase Two, who will now be proceeding to the creation of their digital works. They would also like to thank all the schoolchildren for taking part, as well as the teachers who oversaw their submissions and encouraged them to enter the competition.

We invite you all to register for the [open-access webinars](#) being organized as part of Phase Two of the “Hack the Art: Yanoulis Halepas” Panhellenic Competition for Schoolchildren, to help improve the digital skills of your teams.

Wishing you all every success, and the very best of luck for the remainder of the competition.
