

How to Listen to Podcasts?

Podcast listening can happen anytime, anywhere. Here are a few ways to listen to the *Live from Mount Olympus* podcast wherever you happen to be, for free.

ON A COMPUTER

Visit our website nassis.link/olympus or any TRAX podcast page and click on the play button to begin listening. The episode will begin playing immediately.

ON A PHONE

You can download or stream podcasts from your phone using a podcast listening app. On an Apple device, tap on **the purple Apple Podcasts icon**. On an Android device, tap on **the white Google Podcasts icon**.

You can also listen to podcasts on **Spotify, Stitcher, RadioPublic, NPR One**, and many other apps on a mobile device like a phone or tablet.

Once you open the app, search for *Live from Mount Olympus* or TRAX, and begin listening immediately. Subscribe to/follow our show for free to receive new episodes automatically when they become available.

ON A SMART SPEAKER

Ask your smart speaker to play *Live from Mount Olympus*.

- “Alexa, please play the podcast *Live from Mount Olympus* (or any other show by name).”
- “Ok Google, listen to *Live from Mount Olympus* podcast (or any other show by name).”
- “Hey Siri, play the podcast *Live from Mount Olympus*.”
