

**PARTICIPATION INSTRUCTIONS FOR DECLARATION OF CANDIDACY FOR MEMBER  
OF THE BOARD OF DIRECTORS AND OF THE AUDIT COMMITTEE**

Members who have fulfilled their 2026 dues towards the Association may submit candidacies electronically for the Board of Directors or Audit Committee **no later than Friday, December 16, 2025**, by completing the [relevant online form](#).

It is noted that under Article 11 (par. f) of the statutes, members who have served two full terms on the Board of Directors are ineligible to declare candidacy within two years after their term ends.

Kindly note that serving on the Board of Directors implies a commitment to active and sustained participation in its multifaceted activity.

Each application shall include ID photo of the candidate (passport size), short CV (max 300 words), short personal statement of intent (max 300 words), self-introduction video (max 2 minutes, preferably portrait format)

It is noted that these videos will be shown as part of Agenda item 5 of the Annual Ordinary General Assembly, in lieu of in-person presentations, to ensure a common format for presenting all candidates and time efficiency.

The information that will be provided by the candidates, as identified herein, will be processed for the realization of the aforementioned process of submitting nominations and selecting BoD and Audit Committee members in accordance with the Scholars Association's Articles of Association and applicable laws on personal data protection. In this context, the information submitted by the candidate members will be maintained and, following lapse of the nomination deadline, become available to the Scholars Association members for their knowledge via the available communication media of the Scholars Association, such as via the dedicated online link addressed to the members, or the Association's social media, or by notice sent to the members by email (in the form of newsletter) or in hardcopy (in cases of lack of email address). The candidate's information will remain available to the Scholars Association's members up to the commencement date of the General Assembly (initial or reiterative) at the

dedicated online spaces set by the Scholars Association. The candidates' presentation videos will broadcast at the General Assembly meeting.

For more information regarding the processing of personal data in the context of the Onassis Scholars Association activities, please refer to the [\[Privacy Notice\]](#).
