

Medea Electronique: “Soundscapes / Landscapes”

INSTRUCTIONS

- **Be alert to oncoming cars when listening to audio**
- **Make sure your tablet/smart phone is charged**

A small number of devices are available from the Onassis Cultural Centre on a strictly first come, first served basis. For the sake of convenience, you can use your own tablet or smart phone.

- **Download the app and its contents onto your own device from Google play (<https://play.google.com/store/apps/details?id=com.calvium.soundland>) or from iTunes (<https://itunes.apple.com/gr/app/soundscapeslandscapes-player/id808749235?mt=8>)**
- **Adjust the volume to a comfortable level**
- **You can borrow a device from the Onassis Cultural Centre (leaving your ID or driving license behind as surety)**
- **Devices are available from the OCC foyer Monday to Friday 16:00-20:00 (return by 21:00) and at the weekend 12:00-20:00 (return by 21:00)**
- **Should the necessity present itself, you can contact us on 213 017 8050.**

APP CONTROLS / OPTIONS.

- **App SoundscapesLandscapes Player:** to load and run the application
- Select **‘Walk’** to begin your walk
- Select **‘Watch Video’** to view the video available at your current location
- Select **‘Done’** to stop playing the video and return to the map
- Select the **Return Arrow** to return to the map from any text screen
- Use the **+/- arrows** to adjust the size of the map (only on Android devices)
